1. Fees are waived through 2026
2. Financial Institution: Any Licensee Group entity (other than a Public Policy Financial Institution) engaged in the business of (other than in an ancillary capacity), dealing with, engaging in, or otherwise facilitating, financial and/or monetary transactions, including, without limitation, retail or corporate banking and lending activities, securities brokerage activities, insurance or reinsurance services, investment or portfolio management activities, dealing in money markets, FX trading, issuing or trading futures, options or other derivatives, serving as an advisor with respect to any of the foregoing, and any other financial services, in each case as determined by CME in its sole discretion.
3. Non-Financial Institution: Any entity that is neither a Financial Institution nor a Public Policy Financial Institution.
4. Public Policy Financial Institution: Any entity that is (i) a central bank, government treasury, ministry of finance or other such public or quasi-public financial institution established for the primary purpose of serving public policy goals but (ii) excludes, for the avoidance of doubt, any government pension schemes, sovereign wealth funds or other public asset owners acting principally as a market participant, in each case (i) and (ii) as determined by CME in its sole discretion.
5. Total assets based on assets under management, the value of assets on Licensee Group's balance sheet or any other objective measure CME may reasonably employ, for the most recent fiscal year end.
6. Fees will be prorated in the first year.
7. Fees for Delayed Use in Category 3 are waived if Licensee pays for Real Time Use in Category 3.
8. Fees are billed annually in advance and are prorated in the first calendar year.
9. Fees are tiered, based on the total number of licensed Index Products.
10. Data License: Includes all Internal Display and Non-Display use within a Licensee Group. Excludes Subscriber Display Devices.
